

An Introduction to Systems Psychodynamics

Join these monthly, small group, Reading Seminars based on Mannie Sher and David Lawlor's new book: *An Introduction to Systems Psychodynamics: Consultancy, Research & Training*.

A unique opportunity to study the fundamental concepts of systems psychodynamics with the authors of this comprehensive new text.

Each seminar builds upon the previous one and the whole series will provide you with a practical overview of Systems Psychodynamics including Open Systems Theory; Psychoanalytic thinking; Group Dynamics and Socio-Technical Systems.

SEMINAR 1	26 April	Working with individuals
SEMINAR 2	24 May	Bion's theory of groups
SEMINAR 3	28 June	Working with groups
SEMINAR 4	26 July	The contribution of Group Relations
SEMINAR 5	20 September	Systems Psychodynamics and organisational consultancy
SEMINAR 6	25 October	Defences against anxiety

Each seminar will begin with a Social Dreaming Matrix.

6 seminars of 2 hours each on a Tuesday each month from 18:00 – 20:00 BST
In-person in the lounge at the Tavistock Institute, with refreshments, on the 3rd floor, 63 Gee Street, EC1V 3RS (tubes: Old St; Farringdon; Barbican) or Online via Zoom.

The book is available with **20% discount** – a code will be sent to you on application. Those attending in-person can purchase the book with 35% discount.

A fee of £445 for the series of 6 seminars.
